Login to SPOT.

Download the available Windows printer driver. This is not an installer, it will extract the driver files to the computer in a folder named **HP\_Color\_Laserjet\_Enterprise\_M553** on the C drive.

Add the printer manually. (Windows 10)

## **Settings -> Devices -> Printers & scanners ->** Click **Add printer or scanner** After a short search, click on **The printer that I want isn't listed.**
