#### **The State of Chesapeake Bay and Actions You Can Take to Improve it**

*Finksburg, MD* – Paul Kazyak, a recently retired Maryland Department of Natural Resources scientist and current lecturer at Johns Hopkins University, will detail the current state of Chesapeake Bay, how we got where we are and what we can do to improve things for future generations. We invite you to come to the Finksburg Branch on Monday, February 11<sup>th</sup> from 7:00pm – 8:30pm to learn about the challenges facing the most productive estuary in the world and what you can do personally to restore and protect it. This program is made possible by the Chesapeake Bay Trust.
