Summer Discovery – Libraries Rock!

Carroll County, MD – Summer Discovery is a program for all ages that allows participants to add the library to their summer adventures through reading and activities. This year's theme is *Libraries Rock!* and we will be having music-related programs throughout the summer. A Summer Discovery kick-off celebration will be held at each branch on Thursday, June 21st. All ages are invited to join us for activities including games, crafts, face painting, and more.

Participants in Summer Discovery can earn points by reading books, completing activities, and submitting written or picture reviews online. Visit the library to register, pick up registration coupons, enter to win bi-weekly raffles for prizes, and to receive an award for finishing. All finishing participants are automatically entered in the end of summer prize raffle. Winners will be notified after September 6.

Summer Discovery runs from June 1 through August 25. Sign up at any Carroll County Public Library Branch or online at <https://carr.beanstack.org/reader365>.
