Rockin' Through the Stacks with Virginia Sperry

Eldersburg, MD – Watch local artist Virginia Sperry create this site-specific art installation of cast-paper river rocks that will wend their way along the floor and through the bookshelves of the Eldersburg Branch on Wednesday, June 20 at 1pm. See how she makes the decisions about where to put them and why. After the talk, Virginia will dismantle the installation. Catch it while you can! Construction will take place from 1 – 4pm, with an artist talk and Q&A at 4pm.
