CONNECT WITH CCPL
Message from the Executive Director

The sun did not shine.  
It was too wet to play. 
So we sat in the house 
All that cold, cold, wet day.
I sat there with Sally. 
We sat there, we two. 
And I said, “how I wish 
We had something to do!”*

*Dr. Seuss, The Cat in the Hat ©1957 Random House

This summer could feel a little like the opening to The Cat in the Hat with us all saying, “I wish we had something to do…” As we wind down our “Summer of Staycation”, let CCPL help you find some entertaining and possibly educational ways to have a bit of August fun!

How? I am very glad you asked. You can have an international film night with Kanopy. Create your own camping trip with fishing rods from the library. Get mad skills to be the family documentarian by taking a video course on Lynda.com. Attend a virtual trivial night. Learn to cook, or cook healthy through our online programs on Facebook and classes presented by Carroll Hospital. Plan that next great family vacation using ConsumerReports.org. Or earn free books and a chance to win prizes by completing our Summer Reading Program. And there is always the tried and true way to truly escape – open a book and travel anywhere.

Check out our website and Facebook page for information on the dozens of programs and resources CCPL has online every day. Don’t have a library card? You can get that online too!

In all seriousness, CCPL recognizes that this is a difficult and stress filled time for everyone. We want to make it as easy as possible to use the library, whether that is to borrow a book, download a movie, do some online research, or attend a virtual program. Please call us weekdays from 10 AM – 6 PM and Saturdays 10 AM – 3 PM and our staff will be glad to assist you in getting your materials, finding a resource, or registering for a program. And until we can all be in the same place again, the CCPL family hopes you stay safe, healthy, and happy.

The Nocturnals Storytime

Start off our Kids Takeover Day with readings of The Tasty Treat, The Slithery Shakedown, and The Chestnut Challenge, three titles focusing on Social Emotional Learning (SEL). Tracey Hecht will read from her critically acclaimed early reader series, where we meet three unlikely friends—Dawn, a serious fox; Tobin, a sweet pangolin; and Bismark, the pint-sized sugar glider. Download the activity kit here and make your own Pangolin, Fox, Sugar Glider, or Kinkajou ears to wear during storytime! Presented by Fabled Films Press, A Likely Story Bookstore, and CCPL.

2 PM

The Nocturnals Writing Workshop

Join us as content made for kids takes over our Facebook pages! In The Nocturnals Writing Workshop, Tracey Hecht discusses inspiration, character development, and voice. Recommended for ages 7-11

4 PM

Pippa Park Raises Her Game Writing Workshop

Join us as content made for kids takes over our Facebook pages! In the Pippa Park Raises Her Game Writing Workshop, Erin Yun discusses how to write your own retelling, how to create your own characters, and point of view. Participants can follow along with our How to Write a Retelling Worksheet.
