# Travel the Barn Quilt Trail &

# experience a part of Carroll County's rich history

The Carroll County Barn Quilt Trail is a collaborative project undertaken by the Carroll County Arts Council, the Carroll County Office of Tourism, the Carroll County Department of Recreation and Parks, and the Carroll County Public Library. The program pays homage to Carroll's agrarian history by installing 8-foot square quilt blocks on scenic barns throughout the county. The barn quilt tradition actually dates back many years when farmers used to paint Pennsylvania Dutch hex signs and other folk art designs on their barns.

**There are dozens of barn quilts located throughout Carroll County.  
For information about each location, please visit [carrollbarnquilts.com](http://carrollbarnquilts.com)
