We are delighted to highlight Mike McMullin, President, Carroll County Chamber of Commerce as our Great Reader/Great Leader

Mike was hired as president of the Carroll County Chamber of Commerce in 2010. It has flourished under his leadership, showing consistent financial growth, gains in membership and expansion of activities and opportunities for members. Mike is a champion for small business, taking every opportunity to remind people to buy local and support community events. His positive approach makes it difficult for anyone to say no to a call to join, participate or sponsor an event.

Not only are longstanding Chamber initiatives thriving, such as Leadership Carroll, the Chamber's leadership development program co-sponsored by Carroll Community College, and the Outstanding Teacher Awards, but also new activities are expanding the Chamber's impact, including:

Launch Carroll, a young professional networking community for people ages 21-45 providing opportunities to build successful careers and businesses.

The Biz Challenge, an annual Shark Tank-style event offering local entrepreneurs the opportunity to pitch new business ideas, to make great connections, and to compete for cash prizes.

Public Safety Awards to recognize the achievements of Carroll County public safety professionals.

Drug and Violence Awareness Expo, to help educate children, their parents and the community about the risks associated with drug and alcohol use.

Chamber Travel offering affordable, not-to-be-missed travel opportunities to, among other places, Cuba, China, and in 2019, Greece.

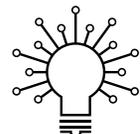

Mike is an excellent communicator who shares sound business advice through columns in the Carroll County Times and highlights local initiatives through Chamber Chat, a weekly radio show on WTTR.

Mike grew up in Chicago and graduated from Loyola University with a BA in Communications, before beginning a successful 24-year career with Pulte Homes, which that led him to the mid-Atlantic area. He and his wife, Marcia settled in Westminster and raised four children. Marcia, a registered nurse, is the coordinator of the Center for Breast Health at Carroll Hospital. Mike has a beautiful voice and can be encouraged to sing from time to time, especially when he is with his youngest son, Matt, who plays guitar at numerous venues in Carroll County. Another family member, Henri, a 170 lb. Newfoundland dog also draws a crowd when he appears for a stroll on Main Street.

"Financial acumen, long hours, a strong will and vision are all important characteristics in an inspirational leader, but without the ability to forge relationships they will not lead a company to excellence. People follow leaders who inspire them and inspiration is built on a foundation of relationships, understanding, integrity and empathy."
